

Have you heard that the 2020 AA National Convention is now a Virtual Experience?

<https://www.aanatcon2020.com.au/>

Since we can't meet face to face this year and to celebrate **75 years of AA in Australia**, we have taken the innovative step to host a virtual AA National Convention (with AI-Anon and Alateen participation).

AA has done an enormous amount of work to provide a platform for AA, AI-Anon and Alateen to allow us to create content and give convention registrants access to both live and on-demand (pre-recorded) programs and other content.

AA has already outlaid a significant amount of money to create our Virtual convention and purchase the technology to make this so much more than a zoom meeting.

The full Program consists live AI-Anon and Alateen (and AA) meetings. Once you have registered you will have access to all content

- ✓ Live meetings
- ✓ On-demand meetings
- ✓ Archival recordings
- ✓ Videos and historic messages.

Only Alateen Sponsors & Alateens have access to Alateen meetings & events. Alateen/Alateen Sponsor Registrations close 27 September (AEST) for authentication. Alateen Registration Cost is complimentary.

All recordings will still be available for 2 weeks after Convention.

An App will be available to allow everyone who is registered to chat to one another and speakers to bring our program to as close as we can to a face-to-face convention.

The purpose of any National Convention is to also support AI-Anon's service structure with auctions and fundraisers. Your \$100 registration goes towards convention costs and supporting our service structure. Please come along and support us from the comfort of your home.

Highlights include:

- Opening event with entertainment and surprise guests
- Vali L will encourage us to think about our Vision for the Future of AI-Anon
- Ric B and members from around the world will share their recovery stories
- Tim Costello will join our panel of professional friends.

Phone the Chair of the AI-Anon organising committee Del on 0402 597 259 if you have any questions.

See you all there!
