

In this time of fear and uncertainty,  
Al-Anon and Alateen are proud to announce that a world-  
first for Fellowship Conventions has been launched:  
*A Virtual Experience to warm the heart.*

Al-Anon and Alateen have a full program of on-line, on-  
demand meetings and social events – including international  
speakers, the voice of our co-founder Lois W speaking in  
Australia in 1972, a re-enactment of the first meeting in  
Toowoomba in 1961, and many more creative and  
entertaining ways to bring our program to life.

Please visit  
[aanatcon2020.com.au](http://aanatcon2020.com.au)  
and register for this once in a lifetime Convention.

Please contact our Area Delegate Jennifer on 0415883345  
or the chair of our planning committee Del on 0402597259  
if you have any questions.

Looking forward to seeing you there!
